FOR IMMEDIATE RELEASE

COALINGA-AVENAL SAFETY ROADSIDE REST AREAS OPEN TO MOTORISTS

The California Department of Transportation (Caltrans) announces that the Coalinga-Avenal Safety Roadside Rest Areas (SRRA) located along both directions of northbound and southbound Interstate 5 (I-5) in Fresno County have re-opened to motorists.

Each location was temporarily closed for maintenance in order to repair waste water pumps, electrical panels and lighting, pressure washing of concrete, and general landscape operations at both locations.

Safety Roadside Rest Area information for other locations within the State of California can be viewed @ <http://www.dot.ca.gov/hq/maint/ra/Statewide.htm>

Caltrans would like to thank the motoring public for their patience during this improvement project. Motorists are reminded to drive with extra care while traveling through all construction and maintenance areas and please **“Slow for the Cone Zone” and be Work Zone Alert!**
